
Concert Stand Trolley

A sturdy and strong storage cart, to make moving and storing Concert Stands simple. The Concert Stand Trolley can hold up to 20 stands and has been consciously designed to be able to fit through a standard single door.

***RAT*stands**

Product Features

The Concert Stand Trolley can hold up to 20 RATstands Concert Stands, nested in a compact line, to make set ups and take downs simple.

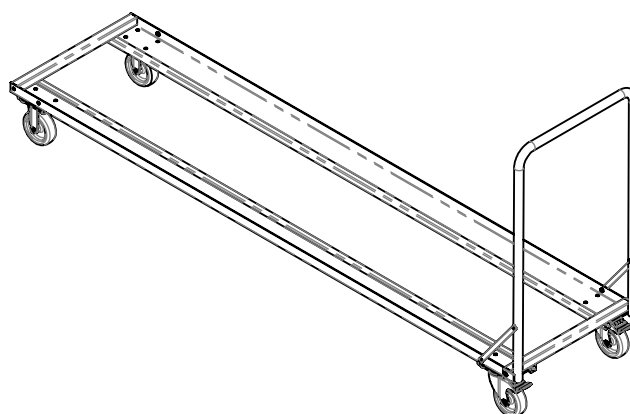

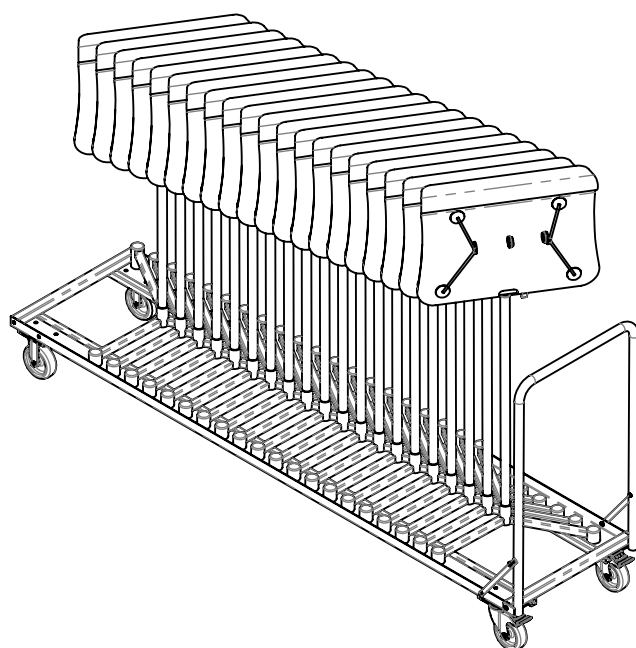

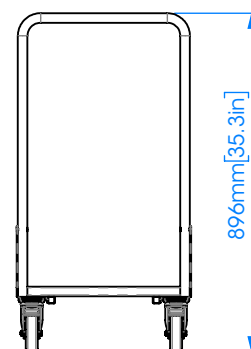

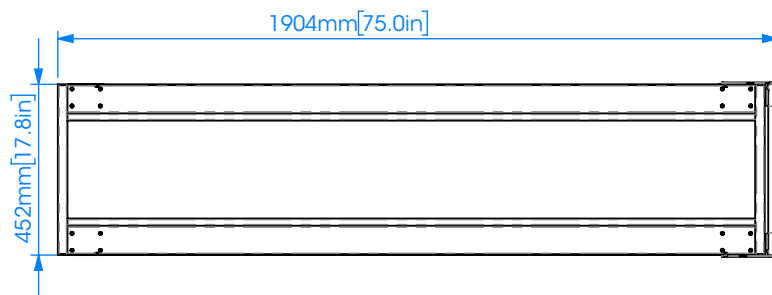

The Concert Stand Trolley has 2 fixed and 2 swivel castors, for maximum manoeuvrability.

The trolley is coated in a tough scratch resistant epoxy to prevent cosmetic damage. It is sturdy, robust and easy to use. The Concert Stand Trolley is lightweight, making it easy to transport.
